Revlon® Maximum Speed™ - Instant 1-minute manicure

Date

Revlon® Maximum Speed™ - Self Stick Nails are ready to go in one minute flat!

Revlon® Maximum Speed™ - Self Stick Nails use the latest technology to guarantee long, safe wear and great fit. Easy application coupled with chic designs ensure perfect results in just one minute.

Two easy steps to stylish nails that last for up to three days and come in four fashion-forward designs:

1. Use NailStay Bond Enhancer Wipes to clean and remove any polish or oils from the natural nail.
2. Press nail firmly for five seconds for beautiful nails

To remove, soak nails in warm water for 10-15 minutes. Do not force or pull nails off. Gently remove nail.

Available in: French Manicure; Luminescent; Flowers; and Wine for Everything.

RRP: \$19.95 for a set of 24 nails in 12 sizes with NailStay Bond Enhancer Wipe. Available at pharmacies and supermarkets.
