### Revlon® *Nail*Perfect Nails

Date

Revlon® *Nail*Perfect Acrylic Sculpting Kit provides all the tools of the trade in five easy steps for three great nail studio looks.

Choose from Natural, Clear or French as your *Nail*Perfect look.

Step 1. Clean and remove any polish or oils from natural nail.

Step 2. Brush on NailStay Maxi-Bond™ Glue onto the overlap area of nail. Apply tips.

Step 3. Dip the brush into the Acrylic Liquid and then lightly touch the surface of the Acrylic Powder to form a ball mixture around the brush.

Step 4. Apply the ball mixture to the nail surface and gently shape mixture to sculpt nail. Brush out nail surface until smooth.

Step 5. When nail is dry, file and smooth, finish with Top Coat.

To remove, soak nails in acetone polish remover until soft. Gently remove nail.

**RRP: \$29.95**
